

ITINERARY

3-Day Northern Circuit Safari

Day 1: Day 1: Tarangire National Park

A scenic drive from Arusha takes you to Tarangire, famous for its enormous elephant herds and ancient baobab trees. You'll spend the day on game drives, exploring its diverse habitats.

Day 2: Ngorongoro Crater

Descend into the breathtaking caldera of the Ngorongoro Crater for an unforgettable full-day game drive. This UNESCO World Heritage site is home to the densest concentration of wildlife in Africa, offering a high chance of spotting the Big Five.

Day 3: Lake Manyara National Park

The final day is spent at Lake Manyara, known for its unique tree-climbing lions, large troops of baboons, and a shimmering lake often dotted with flamingos. Afterward, you'll return to Arusha.
