

ITINERARY

5-Day Northern Circuit Safari

Day 1: Day 1: Tarangire National Park

A scenic drive from Arusha takes you to Tarangire, famous for its enormous elephant herds and ancient baobab trees. You'll spend the day on game drives, exploring its diverse habitats.

Day 2: Tarangire to Serengeti National Park

After breakfast, journey to the Serengeti, entering through the Ngorongoro Conservation Area. Enjoy an afternoon game drive in the endless plains, searching for predators and migrating herds.

Day 3: Full Day in the Serengeti

This day is dedicated to a full day of game drives in the Serengeti. Your guide will track down animal sightings and explore different areas of the park, offering the best opportunities to witness predator-prey interactions.

Day 4: Serengeti to Ngorongoro Crater

Enjoy a final morning game drive in the Serengeti. In the afternoon, you will drive to the Ngorongoro Conservation Area for overnight at the crater rim.

Day 5: Ngorongoro Crater & Departure

A morning game drive inside the Ngorongoro Crater, offering a final chance to see an incredible diversity of wildlife. The safari concludes with a drive back to Arusha.
