

ITINERARY

6-Day Northern Circuit Safari

Day 1: Day 1: Tarangire National Park

A scenic drive from Arusha takes you to Tarangire, famous for its enormous elephant herds and ancient baobab trees. You'll spend the day on game drives, exploring its diverse habitats.

Day 2: Tarangire to Lake Manyara National Park

After breakfast, a short drive takes you to Lake Manyara for a morning game drive, looking for the famous tree-climbing lions. In the afternoon, you'll travel to the Serengeti.

Day 3 & 4: Full Days in the Serengeti

Two full days are dedicated to exploring the Serengeti's vast plains. This allows for a flexible schedule to follow wildlife sightings, and if timing is right, witness the Great Wildebeest Migration.

Day 5: Serengeti to Ngorongoro Crater

Enjoy a final morning game drive in the Serengeti. In the afternoon, you will drive to the Ngorongoro Conservation Area for overnight at the crater rim.

Day 6: Ngorongoro Crater & Departure

A morning game drive inside the Ngorongoro Crater, offering a final chance to see an incredible diversity of wildlife. The safari concludes with a drive back to Arusha.

What's Included

- All national park and conservation area fees.
- Full-board accommodation (as specified in your booking).
- All meals (breakfast, lunch, dinner) during the safari.
